THE GARIOCH PARTNERSHIP

STRUCTURE, GOVERNANCE AND MANAGEMENT

Introduction:

This is The Garioch Partnership's thirteenth annual report since it formed in January 2012, to fill the gap in Garioch, at that time which was the only administrative area that did not have a Local Rural Partnership. The Garioch Partnership (TGP) is a community-led organisation that uses its members' networks to build stronger, more successful, more sustainable communities in the Garioch Area of Aberdeenshire. It gained charitable status in November 2012 and is recognised as a Scottish Charitable Incorporated Organisation (SCIO), Scottish Charity no: SC043548.

Objectives

From OSCR our objectives are...

"The Garioch Partnership is a community orientated organisation which advances community development by supporting and assisting voluntary groups in Garioch with community capacity building and skills development."

Type of Governing Document

We are a Scottish Charitable Incorporated Organisation, established in 2012.

Trustee Recruitment and Appointment

We are currently winding down the charity, dispersing monies that we held by TGP on behalf of community groups for their use.

A Foreword from Our Chairperson

The Partnership is run by the existing trustees with an annual members meeting. Unfortunately, in February 2025, with the demolition of the local authority offices in Blackhall Road, Inverurie. The authority removed, without notice or consent, office space in the Wyness Hall, Jackson Street, Inverurie. In doing so computer, desks, monitors, chairs and equipment were removed. The Chairman attempted to contact the Area Office, but received no reply. Due to the urgency and unknown time constraints, as much documents and equipment were removed to trustees own personal homes/storage areas for safe keeping.

Items that were useful to community groups were distributed to groups who would have a use for these items, or were the main users of the equipment, on the promise that it would be shared by other TGP groups if needed.

The asset register will be updated to reflect items which are now missing and distributed/used to groups.

Role and Policy Context

Our Role:

The role of the partnership is wide-ranging and involves working with community groups, statutory agencies and Community Planning Partners on local and Aberdeenshire wide issues, helping to advance sustainable economic, social and environmental development projects and increasingly helping to identify opportunities within the social economy, leading to future sustainability. The partnership unable to continue direct support to our communities, but board members have assisted group with advice on an ad-hoc basis. There are still monies held by TGP on behalf of groups who were starting up and the board will attempt to disperse these funds back to the relevant groups.

The future role of TGP was discussed with a face-to-face meeting in March 2025, where members were given options as to the future of TGP.

THE GARIOCH PARTNERSHIP

Policy Context: Improved Outcomes:

Winding down or continuation of the Garioch Partnership will continue to be discussed:

- (i) Promote Community Economic Development by supporting groups throughout their area with information, implementation, and community engagement, to build inclusive and sustainable projects.
- (ii) Provide a local advice service to groups seeking to develop community assets and facilities. This includes options for organisational structures, governance, funding, along with other areas required to help realise opportunities in their communities.
- (iii) Provide enterprise and administrative advice to social/community enterprises seeking to develop economic opportunities.
- (iv) Develop and support Community Action Plans and other appropriate processes for engagement of communities.
- (v) Identify and implement ways to help communities understand issues around community planning and budget allocation. Together with partner staff, they will seek innovative funding and management solutions to overcome challenges.
- (vi) Ensure and facilitate a two-way flow of information relating to the needs and priorities of voluntary sector partners, wider community contacts, Aberdeenshire Council, Community Planning Partners, Aberdeenshire Voluntary Action, and the Local Community Planning Group.
- (vii) Identify and implement ways to help communities understand issues around community planning and budget allocation. Together with partner staff they will seek innovative funding and management solutions to overcome challenges facing the community.
- (viii) Positively promote equality of opportunity for the whole population of the area. Where the opportunity arises work within groups with protected characteristics to help them achieve positive impacts. Provide evidence of the work undertaken and the positive impacts achieved in the annual reporting and monitoring arrangement.

INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF THE GARIOCH PARTNERSHIP

I report on the accounts of the charity for the year ended 31 March 2025.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (a) which gives me reasonable cause to believe that in any material respect the requirements: (i) to keep accounting records in accordance with section 130 of the 2011 Act; and (ii) to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act; have not been met; or
- (b) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
